

2010-2011 Annual Report of Gifts

DEAR FRIENDS:

This Fall, Miller-Keystone Blood Center celebrates our 40th year of service as the only not-for-profit blood supplier to our regional hospitals.

The dedication of the Lehigh Valley's first blood center took place in September 1971. At that time, the Blood Center was committed to providing for the transfusion needs to six hospitals in our community. Today we are privileged to serve as the only supplier of blood products to 22 hospitals in 11 Pennsylvania and New Jersey counties.

Maintaining a safe, adequate community blood supply can be challenging. However, through the generosity of thousands of blood donors, service volunteers and financial contributors, Miller-Keystone Blood Center (MKBC) continues to meet our region's transfusion needs. Over the past year, the support of businesses and individuals throughout our community allowed us to fulfill our obligation to help save lives.

In 2010-2011, three new hospitals joined MKBC's blood program: Brandywine Hospital (Coatesville, PA), Grand View Hospital (Sellersville, PA) and Phoenixville Hospital (Phoenixville, PA). To give donors in our Chester County service area convenient opportunities to donate, a new donor center opened in the Lionville Shopping Center in Exton, PA.

Annual ISO, FDA (Food & Drug Administration) and AABB (American Association of Blood Banks) inspections took place this past year with no deficiencies reported, reflecting our commitment to quality and service excellence.

A new automated donor history questionnaire, Donor Doc, was implemented to help prevent errors and reduce time in the donor screening area; while a new Donor Resources software system, Hemasphere, was also implemented to provide comprehensive reporting capabilities, helping maximize blood drive efficiencies.

This spring, scholarships were presented to 18 high school seniors in recognition of their efforts to stimulate interest and increase the available blood supply in our area. Blood Center volunteers, meanwhile, donated more than 25,000 hours of service as Canteen Attendants, Donor Aides, Clerical Support and Special Event volunteers.

Development department activities over the past year included the 17th annual "Cruise Aboard the LifeLine," the annual Fall Appeal and Membership Drive, the "Planes and Porsches" event in Berks County, and the "Highmark Walk for a Healthy Community."

We are pleased to present our 2010-2011 Annual Report of Gifts, and we offer a heartfelt "Thank You" to all those who so freely contribute, be it through blood donation, volunteering your time/talent, or financial support. It is only through your continuous generosity that we are able to carry out our mission to ensure a safe, continuous blood supply for you, your families, your friends, and your community.
