

2012-2013 Annual Report of Gifts

A MESSAGE FROM THE PRESIDENT & CHAIRMAN:

Miller-Keystone Blood Center makes a difference in people's lives by inspiring thousands within our communities to take action and ultimately, save lives. For over 40 years, the Blood Center has provided a safe, readily available blood supply to our member hospitals in Eastern Pennsylvania and Western New Jersey.

Our professional employees are dedicated to delivering first-class customer service, making a lasting impression on the lives of our donors and customers, and as a result, Miller-Keystone continues to sustain its commitment to the communities and hospitals we serve. This year, provision of critically needed blood and laboratory support by Miller-Keystone has been extended to include Hunterdon Medical Center (Flemington, NJ).

We continuously improve to ensure the safety of the products we provide to our hospitals and to the care of the donors who supply the precious gift of blood. To this point, when a West Nile virus breakout occurred in the summer of 2012, the Blood Center quickly responded with West Nile individual donation testing of our products to mitigate the risk to the blood supply. In addition to the provision of blood, our advanced AABB reference lab provides immunohematology expertise to the hospitals we serve and beyond. During 2012-2013, more than 700 red blood cell antibody workups and more than 17,000 red cell antigen types were performed to provide compatible blood to recipients who have unusual or rare antibodies to red blood cells. The reference lab also identified a very rare but clinically significant (e variant-Shabalala) antibody and partnered with the AABB rare donor registry to identify a source of blood for the patient who required transfusion.

To enhance service to our hospitals, the Blood Center partnered with St. Luke's University Health Network to conclude beta testing on an online ordering system, which was implemented and has garnered a very favorable response from our customers.

At year's end, the Center launched online portals for both our donors and blood drive coordinators. The donor

portal allows individuals to set up online profiles that enable them to access their donation history and medical screening results, and quickly and efficiently schedule appointments online. The coordinator portal provides our blood drive chairpersons with additional tools to help them increase participation and coordinate more successful blood drives in support of regional needs.

We were especially fortunate this past year to recognize eight exceptional individuals who each donated 50 to 90 gallons of blood during their lifetime, and we also recognized the efforts of more than 80 regional high schools that supported community blood drives. The Center also presented donor recruitment scholarship awards to 15 graduating seniors and presented the "My Blood Your Blood" video to over 3,200 students in 25 community schools.

Miller-Keystone is committed to partnering with our community. The Blood Center is grateful for the dedication of our volunteer blood donors, and for the 400+ trained volunteers who generously support our community blood drives with over 23,500 hours of service. More than 50 sponsored walkers for Miller-Keystone participated in the 2013 "Highmark Walk for a Healthy Community," and our 19th "Cruise Aboard the LifeLine" fundraiser, held at the ArtsQuest™ Center at SteelStacks™ was another resounding success.

We are pleased to present our 2012-13 Annual Report of Gifts, and we offer a sincere "Thank You" to those who so freely contribute through blood donation, volunteering your time/talent or financial support. It is through your generosity that we are able to fulfill our mission to maintain a safe, continuous blood supply for you, your families and your community.

Peter J. Castagna, Jr.
President-CEO
Miller-Keystone Blood Center

Joseph A. Bubba, Esq.
Chairman of the Board
Miller-Keystone Blood Center

2012-2013 Year-End Notes

Total Hospitals Served: 25
Total Testing Clients Served: 21
Total Community Donors Registered: 91,795
Total Whole Blood Donations: 73,550

Total Automated Collection Donations: 18,868
Total Special Collection Donations: 536
Total First-Time Donors: 13,478
Total Transfusable Blood Products Prepared: 151,123
Total Bloodmobile Drives: 2,503
Total Volunteer Hours: 23,500

THANK YOU
to all who have so
generously contributed.
